Creating an Account in SendGrid

The screenshot shows a web browser window with the SendGrid welcome page. The browser's address bar shows the URL `app.sendgrid.com/guide?from=profile&integrate=true`. The page features a sidebar on the left with navigation links: Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, Settings, and Twilio SMS. The main content area has a large blue banner that reads "Welcome, Sindhu!" followed by the instruction "To get up and running quickly, please follow the steps outlined below." Below this is a section titled "Send your first emails with Twilio SendGrid" and "Send your first email". It offers two options: "Integrate using our Web API or SMTP Relay" and "Build and send using Marketing Campaigns", each with a "Start" button. The bottom of the image shows a Windows taskbar with various application icons and a system tray displaying the date and time as 11:17 PM on 11/7/2022.
